

Needs Assessment Blurb – Fall 2017

ACU Assessment of Health Professions Training in Health Centers

Due by September 22, 2017

<http://chcworkforce.org/acu-assessment-health-professions-training-health-centers>

(92 words)

With the support of HRSA's Bureau of Primary Health Care, the Association of Clinicians for the Underserved is fielding a short assessment to gather information on health centers' current experiences with health professions training activities in order to identify potential areas for resources, training, and technical assistance. This assessment takes approximately 15 minutes to complete and should be completed by all health centers regardless of whether or not they are currently training health professions students or residents. Please preview the questions and complete the assessment online [here](#) by Friday, September 22, 2017.

The Association of Clinicians for the Underserved (ACU) recognizes the immense impact that health professions training programs have in creating a prepared workforce and alleviating recruitment and retention challenges at health centers. With the support of HRSA's Bureau of Primary Health Care, ACU's STAR² Center has created a short assessment to gather information on health centers' current experiences with health professions training activities. This assessment takes approximately 15 minutes to complete and should be completed by all health centers regardless of whether or not they are currently training health professions students or residents. Information gathered through this assessment will be used to identify potential areas for resources, training, or technical assistance. Please preview the questions and complete the assessment online [here](#) by Friday, September 22, 2017. If you have any questions about the assessment, please contact Allison Abayasekara, ACU's Director of Training and Technical Assistance, at 202-680-2749 or aabayasekara@clinicians.org.
