

Resources – Blurb – Link to <http://chcworkforce.org/resources>

Short (89 words)

The STAR² Center Resource Center is a one-stop shop for materials related to clinician recruitment and retention. The Resource Center is always growing to contain more free toolkits, manuals, best practices both original and created by partner organizations. We encourage health center staff to view the [STAR² Center Original Resources](#) page and explore the tailored content bundles within the [resource center](#) as a step toward their workforce goals. For assistance in navigating the STAR² Center Resource Center, or for more information, please contact us at 844-ACU-HIRE or info@chcworkforce.org

Long (113 words)

[The STAR² Center Resource Center](#) is a one-stop shop for toolkits, manuals, best practices, and other resources related to clinician recruitment and retention. The Resource Center contains a variety of materials, both original and created by partner organizations, which are almost entirely free of charge. We encourage health center staff to view our [expanding resource center](#) as a step toward their workforce goals.
