

Developing Leaders Worksheet

- 1) How does your organization currently identify and develop leaders? What processes or programs already work?

- 2) What support and training can/do you offer managers to identify and develop leaders?

- 3) What are the biggest roadblocks in investing in staff this way?

- 4) What assistance would be helpful in creating or updating leadership development programs?

- 5) What is the first step you can take to incorporate these concepts into your organization?
