

# Recruitment Bootcamp

## Evaluation Review

Throughout the fall of 2017, the STAR<sup>2</sup> Center hosted its pilot cohort for Recruitment Bootcamp. This program helped staffers from 24 FQHCs to revamp their recruitment process in just 30 minutes a week through the use of a variety of STAR<sup>2</sup> Center platforms.

	How would you rate your knowledge of successful recruitment processes?	How would you rate the strength of your written recruitment plan?	How would you rate your knowledge of where to find workforce resources?
Pre Average	5.63	2.36	5.27
Post Average	7.45	6.18	7.54
Change	44.04%	161.86%	43.07%

\*Scale of 1-10

## Cohort Favorites

Read what our cohort has to say about this pilot program:

### Collaboration:

- "When team members share their materials on the discussion board."
- "Being able to interact with others. Especially those with similar challenges."
- "I think the discussion board was a great part of the program to help us connect with each other."

### Structure:

- "The biweekly seminars were very helpful and it was nice that they were very succinct."
- "I love the fact that it is 30 minutes."

### Processes and Resources:

- "Developing our first written recruitment plan..."
- "The tools/templates introduced and the organization of the process..."
- "The making of the recruitment budget has given me ideas."
