

Consultant Search - Blurb - <http://chcworkforce.org/provide-ta>

Calling all recruitment and retention experts! Do you have experience with solving health center workforce challenges that you would like to share? The STAR² Center is always looking to add qualified individuals to our team of expert consultants. Join our team to provide technical assistance to health centers over the phone, online, or in person depending on your experience and desired level of involvement. To share your expertise with health centers in need, please contact us via [this form](#) or via [email](#).
