

Recruitment & Retention Issues Worksheet

- 1) What are the top 3 recruitment and retention issues for your health center?

- 2) What's your current recruitment strategy? What do you feel is missing?

- 3) What formal retention strategies are you employing? Where are the gaps?

- 4) What are the biggest administrative, financial, or other barriers stopping you from making changes to your recruitment and retention plan?

- 5) How can you use the information from the data profile to improve your recruitment and retention efforts?

- 6) Did you hear any new ideas today? If yes, which ones will you try? If no, what concrete issues would you like more information about?
