

Assessment & Strategy Worksheet

- 1) What additional data about your community or staff do you need to assess your workforce plan?
- 2) How can you integrate workforce data collection in with your other data efforts?
- 3) What are the biggest roadblocks in incorporating workforce issues into your strategic plan?
- 4) What products, services, or consultants can you recommend or have questions about for data collection and strategic planning efforts?
- 5) How can you make workforce a priority amidst other clinical and operational issues?
