

## **STAR<sup>2</sup> Center Data Profile Dashboards 2020-2021 Updates**

### **(172 words)**

The [STAR<sup>2</sup> Center](#) (Solutions, Training, and Assistance for Recruitment and Retention), the workforce project of the [Association of Clinicians for the Underserved \(ACU\)](#), will release updates to the [individual health center recruitment and retention Data Profile Dashboards](#) the week of June 28, 2021. The Profiles are a blend of public, private, and proprietary data and thus access to these interactive tools will be shared only with each health center's CEO via direct email. These Data Profile Dashboards form the base of the STAR<sup>2</sup> Center's resource building, training, and technical assistance (TA) efforts by highlighting individual health center strengths and weaknesses, as well as national health center trends in recruitment and retention. The Data Profile Dashboards interactive format allow health center staff to review their updated data with their workforce teams, examine their current and past data, and compare their data against the average data of other similar health centers. Please visit the [STAR<sup>2</sup> Center website](#) for useful resources and training information, and [contact STAR<sup>2</sup> Center staff](#) to discuss their workforce challenges and schedule TA.
